PROFESSIONAL EXPERIENCE

Director of Analytics & Scouting - Boys Varsity Basketball

Hilton Head Preparatory School | Hilton Head Island, SC

2025 - 2026

- Improved timeliness of updating team results on websites.
- Developed detailed scouting reports and video breakdowns, improving game preparation and opponent analysis.
- Delivered actionable insights to coaching staff and players, influencing strategic adjustments.
- Conducted advanced statistical analysis using Hudl and Excel to track team and individual performance trends.
- Created a data dashboard consolidating team statistics for quick reference by the head coach
- Created individual profiles for individual players to assist them with future recruitment.

Online Analyst

Vaudra International | Remote

2012 - 2014

- Conducted detailed analysis of 500+ domain URLs, evaluating eCommerce activity, brand presence, and site status for intellectual property investigations.
- Applied data validation and classification techniques to identify unauthorized sales and flag potential infringement cases.
- Maintained structured Excel-based datasets with fields including domain extension, e-commerce status, contact details, and currency usage, ensuring data integrity and consistency.
- Collaborated with project lead to meet weekly analysis goals, delivering accurate, actionable insights for client decision-making.

ADDITIONAL EXPERIENCE

Mystery Shopper

Independent Contractor | Hilton Head Island, SC

2020 - Present

- Conducted 50+ evaluations across retail, hospitality, and service sectors, collecting structured data on customer experience, compliance, and brand standards.
- Delivered data-driven reports with visual documentation (photos, timestamps) to support decision-making for client organizations.
- Ensured accuracy, confidentiality, and adherence to evaluation protocols, meeting strict deadlines and quality benchmarks.

Group Fitness Instructor, Independent Contractor

Independent Contractor | Rock Hill/Hilton Head Island, SC

2013 - 2025

- Maintained high client retention through personalized programming for diverse client needs and ability needs and constant communication.
- Collaborated with other instructors to cover each other's classes short or long-term as needed.

Row Coach

The Row House | Hilton Head Island, SC

2018 - 2020

- Analyzed client performance metrics (split times, stroke rates, heart rate data) to customize training plans and improve goal achievement while maintaining strict privacy standards.
- Trained 100+ clients over a 3-month period, using data insights to maximize outcomes and enhance client satisfaction.

Group Fitness Instructor

Upper Palmetto YMCA | Fort Mill/Rock Hill, SC

2017 - 2018

- Trained 100+ clients over a 1-month period, focusing on injury prevention and performance goals.
- Collaborated with other instructors to cover each other's classes as needed.
